About Hazel Miller

Hazel Miller is not just a great singer; “She is a force of nature!” quotes the Rocky Mountain News. Her voice has been called “stunning, moving, and powerful.” Hazel has been a sought after performer in Colorado for more than three decades. The Hazel Miller Band was formed more than two decades ago. The present members are a tight knit family of great musicians and singers. HMB performs an eclectic blend of jazz, R&B, blues, soul-R&B, and original music. Hazel Miller Band’s music is designed to make the audience dance and sing-along. They play music that excites and involves the listener.

Ms. Miller sang the National Anthem on ESPN for the Denver Broncos game on October 24, 2016, seen by more than 30 million viewers. One of the highlights of 2015 was Ms. Miller’s singing of the national anthem at the inauguration of Colorado Governor John Hickenlooper. Later on that night, the Governor’s Inaugural Concert featured the Lumineers, String Cheese Incident, and Big Head Todd and the Monsters with Ms. Miller. Ms. Miller performed at the FIS Alpine Ski Championships in Beaver Creek, Colorado on February 15, 2015; with an estimated international television audience of 180,000,000 viewers. Ms. Miller has been chosen to record a welcome greeting for visitors taking the trains to the main terminal at Denver International Airport.

Ms. Miller toured with Big Head Todd and the Monsters for more than five years. They toured the entire country with great response from audiences. Ms. Miller performs all over Colorado, Kansas, South Dakota, Mississippi, New Mexico, and Wyoming. HMB has appeared many times at the historic Red Rocks Amphitheater as both the headliner and as an opener. Ms. Miller has appeared as a special guest of Big Head Todd and the Monsters for more than 20 years. HMB has opened for Al Green, Herbie Hancock, James Brown, India Arie, Michael McDonald, Gladys Knight and many, many others in venues all over the Colorado and the US.

HMB has toured internationally, with stops in South Korea, Japan, Okinawa, Guatemala, Honduras, Germany, Spain, and Greece. The tours benefited our troops serving in these countries.

Ms. Miller’s music can be heard on many local radio stations, including KOA, KBCO, KUVO, KRFC, KOTO, and KCNU. Nationally, Sirius Radio and XM Radio are playing her music on the “Real Jazz” and “B. B. King’s Blues” stations. Mark Ruffin, on “Real Jazz” XM Radio added Ms. Miller to the lineup in the fall of 2010 and she continues to be a requested performer on radio stations nationally, including Martha’s Vineyard, Charlotte, Miami and Chicago. Ms. Miller sang on six tracks of the hit 2014 CD Blues Masters 3. This CD featured Mickey Thomas from Jefferson Starship and Tim Tucker, executive producer and lead guitarist on the CD. Of Ms. Miller’s vocal performance, the reviews said, “Miller’s vocals would rival Koko Taylor.” The CD is recognized as the blues CD sleeper of 2014.
